"la Caixa" Foundation

New call for "la Caixa" Doctoral INPhINIT Fellowships Programme

Passion, commitment, curiosity... all of them essential values to awaken the talent you have inside. Now, with the aim of continuing to **support the best scientific talent and fostering innovative, high quality research in Spain and Portugal**, "la Caixa" Banking Foundation is launching a new call for applications for the Doctoral INPhINIT Fellowships Programme.

In this call **65 fellowships** will be granted to talented researchers of any nationality to carry out a doctorate at Universities and Research Centres in Spain and Portugal.

This programme is divided into two different types:

#Doctoral INPhINIT Incoming

35 Doctoral fellowships for researchers willing to carry out their doctoral studies in research centres accredited with the Spanish Seal of Excellence Severo Ochoa, María de Maeztu or Health Institute Carlos III and Portuguese units accredited as "excellent" or "exceptional" according to the evaluation of the Fundação para a Ciência e a Tecnologia. This frame is addressed exclusively to STEM disciplines: life sciences and health, experimental sciences, physics, chemistry and mathematics.

To do research in Spanish institutions, candidates must have resided or carried out their main activity in Spain for **less** than 12 months in the last 3 years while, for Portuguese institutions, candidates must have resided in Portugal for **less** than 12 months in the last 3 years.

#Doctoral INPhINIT Retaining

30 Doctoral fellowships for researchers willing to carry out their doctoral studies in any research domain and any university or research centre in Spain and Portugal.

To do research in Spanish institutions, candidates must have resided or carried out their main activity in Spain for **more** than 12 months in the last 3 years while, for Portuguese institutions, candidates must have resided in Portugal for **more** than 12 months in the last 3 years.
